Live Baby Live! The INXS Tribute Show is Australia's premier rendition of one of the most iconic bands in Australian history. Live Baby Live! brings together a group of musicians that have a combined 40+ years experience playing music and performing live.

Live Baby Live! deliver a stunning replication of all the classic INXS tracks, performing songs from their first album all the way through to their latest hits. Frontman Guy Collings is a natural born performer and brings the late great Michael Hutchence to life on stage, bearing a striking resemblance to Hutchence in sound.

Guy is joined by Matt Porter on keyboards, harmonica, rhythm guitar and backing vocals, Lucas Collings on lead guitar and backing vocals, Josh Bowen on saxophone, acoustic guitar, rhythm guitar and backing vocals, Justin Miranda on bass guitar and Jackson Collings on drums & percussion.

Bringing all these elements together, Live Baby Live! produce what can only be described as an amazingly accurate tribute to the mighty INXS.

With meticulous attention paid to the unforgettable INXS Live at Wembley performance and swagger to match, let Live Baby Live! Take you back to a time when rock and roll ruled.
